105 Tons To Acre Is U.S.S. Corp Harvest

Various amounts of sugar cane have been harvested from the acre by different farm groups in the Lake Okeechobee Region since the sugar cane harvest started last fall. Sucrose content has been watched with eagle eyes by all producers and when it goes above 16 it is considered an excellent yield.

The FFA boys had a small plot of cane near Canal Point and they harvested an average of 77 tons to the acre which is unusually good yield. The United States Sugar Corporation harvested four fields last week not far from Canal Point that yield 105 tons to the acre. So far this season is the largest yield that has been reported.

The U.S.S.C. mill at Bryant is still grinding day and night and the Glades Sugar House on Airport Road at Belle Glade is grinding round the clock with a great deal of the sweet stuff yet to be harvested.

Little League To Organize Tuesday

All adults in Pahokee and Canal Point interested in Little League baseball are urged to attend a meeting next Tuesday night, March 26, at city hall in Pahokee.

Dick Parrish said yesterday that the meeting will be used as a re-organizational effort for the Little League and he hopes for 100 percent cooperation from those interested.

Last year the operation was a thumping success and there is no reason why the upcoming season can't be just as good.

Miss Yvonne Thompson, a freshman at Stetson University, DeLand, has been elected to the Women's Council of the University, according to a letter received by her parents, Mr. and Mrs. Joe E. Thompson, from the dean of women, Miss Etter Turner.

Funeral Services Calvin C. Spooner

Funeral services for Calvin Coolidge Spooner, 38, 157 South Greenstar Ave., Pahokee, who died Monday, were held Wednesday morning at the Pahokee First Methodist Church where he was a member, with the pastor, Rev. T. C. O'Steen, and Rev. Fred Martin of Gainesville, a former pastor, officiating.

He was a native of Colquitt, Ga., coming to Pahokee with his parents, 38 years ago. A contractor by trade, he participated in numerous outdoor sports during his youth, and in recent years he aided in setting up sports programs for the boys of the vicinity. He was a veteran of World War II, having served for two years and ten months in the Navy as aviation radioman, second class. He was a member of BPOE Lodge 1638 and the American Legion.

Survivors include his widow, Doris; one son, Calvin Leon; and one daughter, Carolyn Gay, all of Pahokee; his parents, Mr. and Mrs. J. E. Spooner, Sr., of Pahokee; five brothers, Leon and Melvin, both of Pahokee; Hule Bell Glade; J. E. Spooner Jr., Clewiston, and Roy of Pompano Beach.

Pallbearers were Kyle Scott, Perry Duke, James Konrad, Bruce Nix, D. L. Fender and Roy Ursery. Graveside services at Port Mayaca Cemetery were conducted by members of Pahokee BPOE Lodge 1638. Wetherington Funeral Home of Pahokee was in charge of arrangements.

No Sweet Corn Marketing Policy

The Florida Sweet Corn Advisory Committee has voted to rescind its recommendation to the Commissioner of Agriculture regarding the adoption of a marketing policy for the 1962-63 season.

The marketing policy would have established a marketable goal for the period May 1 through July 31, 1963.

It was explained that the vote to rescind is expected to result in the elimination of marketable allotments which were being considered for that period.

The action was taken at a meeting of the Florida Sweet Corn Advisory Committee held at the Elks Club in Pahokee on March 12.

Roanoke Services For Mrs. Hudson, 73

Funeral services were conducted in Roanoke, Alabama, Sunday, for Mrs. Annie Pearl Hudson 73, who died Friday morning at the home of her daughter, Mrs. L. D. Echols in Canal Point, where she had been visiting for the past three weeks. She was a member of the Fellowship Baptist Church in Roanoke.

She is survived by two other daughters, Mrs. Catherine Adams, Glenn, Ga., and Mrs. Eris Vorhees, Portsmouth, Va., two brothers and three sisters. Burial was at Roanoke.

Mrs. Sims Heads Officer Group

Mrs. E. D. Sims heads the nominating committee to secure a slate of officers for the coming year for the Miriam Circle of the Pahokee WSSC which met at the home of Mrs. H. H. Hendrix, Monday evening. Other members who will serve on the committee are Mrs. Howard Holman and Mrs. Frank Rosenberg.

Mrs. R. G. Whiteside gave the devotional, based on the thirteenth chapter of Psalms, and Mrs. John Zimmerman presented the program, "What Shall We Tell Our Children About Suffering?"

Members voted to replace a Life Membership pin, which had been lost, as a "going away" gift for Mrs. Ida Larimore, who moved to Tallahassee, this week.

It was announced that the April meeting will be held at the home of Mrs. Frank Rosenberg. Mrs. W. R. Enecks was a visitor.

Corn Coming Into Heavy Harvest

The spring corn crop is just around the corner—all 30 to 40,000 acres of it. How growers are going to get it to market is another question. With workmen on the Florida East Coast Railway on strike it makes it a tough problem to get it to market.

A great deal of the winter vegetable crop going north during the strike has been carted to Indianola where it was put on the Seaboard railroad and another part of it was sent to Lake Harbor where it was shipped by Atlantic Coast Line Railroad.

Corn this week is selling at \$2.50 per crate, which is a good price with heavy amount coming in. Beans are selling from \$2.50 to \$3.00 per hamper and celery is steady at \$2.50 up, according to size.

Cane Allotment Is Boosted 10 Pct.

The cane allotment for the mainland area has been boosted 10 percent according to information from the Federal Department of Agriculture reaching growers this week.

In a directive pointing out that the increase is effective if planted before April 15, 1963, the department said that in the event some growers do not get the additional cane into the ground by that time, their allotments will be redistributed to those growers who can handle them, he added.

VIRGINIA VISITORS

Mr. and Mrs. Don Adams and children, Donna and Beth, who arrived Saturday from Alexandria, Va. are visiting this week with his parents, Mr. and Mrs. W. J. Adams in Pahokee and her father, F. M. Wilson in Canal Point. Miss Sadie Wilson who had spent a month with the Adams family in Alexandria, accompanied them back to Canal Point.

U.S.S. Corp Donates 1 1/4 Mi. Ramie Road

Likelihood for a brand new road from Conners Highway between Canal Point and 20-Mile Bend southward to Airport Road near Belle Glade became closer to a reality this week. Harry T. Vaughn, president of the U. S. Sugar Corporation with mills at Bryant and Clewiston, gave definite notification to Palm Beach county that his company would donate the 1 1/4 miles of right-of-way from Conners Highway south to the old ramie mill.

With this definite commitment from Mr. Vaughn, plans for immediate construction of an additional four mile stretch of the road were put in the mill by County Commissioner Paul Rardin. The four miles are on the lower end of the road and join up 2 1/2 miles already built by the county last fall.

And now, with the last piece of right-of-way guaranteed by the U. S. Sugar Corporation work will begin in a few weeks on rebuilding the 1 1/4 miles from Conners Highway south, Rardin said.

Completion of the 7 1/2 miles of Ramie Road will make a complete loop around and through the Everglades section used for farming and it will be the first loop made available to farmers and growers of the area.

Last Rites Held For Mrs. McArthur

Funeral Services for Mrs. Mary McArthur, 96, mother of Mrs. Evie Roberts of Pahokee, who died at a hospital in Hartford, Ala., Sunday morning, following an extended illness, were held Monday at the Baptist Church in Slocum, Alabama, with burial in the family plot there.

Mrs. McArthur was a resident of Pahokee about thirty years ago when her son, Henry, was manager of a drugstore which later became Boltons. In later years she has visited her daughter, Mrs. Roberts, on numerous occasions and had many friends in the area.

Survivors include three sons, Pitts, Henry, and S. McArthur, all of south Alabama; two other daughters, in addition to Mrs. Roberts, Mrs. Jennie Bell, and Mrs. Lucy Burt, both of Talladega, Ala.; five grandchildren and four great grandchildren.

Mr. and Mrs. James R. Gifford and four children returned 1 1/4 weeks from a trip to Pryor, Oklahoma. They were accompanied back to Canal Point by his parents, Mr. and Mrs. W. R. Gifford and grandson, Charles Ray Gifford who expect to remain here for two weeks.

Veterans Benefits Are Free From Tax

Although veterans benefits are tax-free and need not be reported on 1962 Federal income tax returns, interest earned on GI life insurance dividends left on deposit with the VA is not a "benefit" and is taxable.

The proceeds of a GI life insurance policy are tax-free including the dividends themselves. L. V. McClelland, Glades Veterans Service Officer, pointed out.

Other VA benefits which need not be reported on Federal income tax returns include:

Education and training allowances for Korean conflict veterans still in school or training establishments; subsistence payments made to disabled veterans undergoing vocational rehabilitation training; disability compensation and pension payments; grants to seriously disabled veterans for homes designed for "wheelchair living;" grants for motor vehicles to severely disabled veterans; World War I emergency officers' retirement pay and all benefits to families of deceased veterans.

APPRECIATION—Sincere thanks to our many friends in the Glades area for the cards, flowers, visits and prayers extended to me during my recent illness in the hospital, and while convalescing at home.

Base Ball Starts For Suncoast 9's

It's Belle Glade, Forest Hill, Ft. Pierce and Vero Beach off on the right foot with initial marks in the standings as the Suncoast Conference baseball campaign opened the latter part of the past week.

Nine games are planned this week with six of them to count in the race. Three Tuesday include Clewiston at Stuart for a league match and Lake Worth at Vero Beach and Ft. Pierce at Palm Beach for guest non-counting contests.

Five league tilts are slated for Friday with everybody except Lake Worth busy. Riviera Beach

opens its card by entertaining Vero, Seacrest trips to Clewiston, Stuart calls on Pahokee, Palm Beach plays at Forest Hill and Belle Glade is at Ft. Pierce.

Non-league Melbourne visits Vero Saturday.

Eleven warmup games preceded the first games that counted and Suncoast teams were singularly successful, mostly at the expense

of the Okeechobee School for Boys. The school was victimized twice each by Vero Forest Hill and Belle Glade, Clewiston and Forest Hill defeated Ft. Myers and Jupiter respectively. Lake Worth blanked Palm Beach and Ft. Pierce played a tie at Melbourne and then shut out Stuart.

Belle Glade parlayed five hits with seven Stuart bobbles for a 5-2 success Wednesday in the opening Suncoast game. Forest Hill went an extra inning to down defending champion Lake Worth 1-0 and Clewiston at Stuart for a league match and Lake Worth at Vero Beach and Ft. Pierce at Palm Beach for guest non-counting contests.

"Today we need a nation of Minute Men . . . citizens who regard the preservation of freedom as a basic purpose of their daily life . . . "

—JOHN FITZGERALD KENNEDY

10 days after his inauguration
as the 35th President of the
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unremitting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

Bank President Is Named Belle Glade

The Board of Directors of the newly organized Bank of Belle Glade has engaged as Pres. E. B. McDaniel, Jr., a native Floridian, and an experienced banker, well grounded in the modern practices of larger banks, as well as in the organization, birth and growth of a community bank.

In '47 Mr. McDaniel began a clerkship in the Riverside Bank of Jacksonville, and added to his year and half education at the University of Florida with extension courses. The American Institute of Banking and LaSalle University courses were made more realistic in daily practice in all departments of the bank.

With recognition for his work and progressive improvement, Mr. McDaniel advanced through the Cashier's desk to that of Senior Vice President of the original employer.

With the well wishes of his employer, Mr. McDaniel advanced to the Presidency of the Bank of Orange Park in its formative period, and guided its destiny for three years.

Deposits in the young institution had grown to \$3,000,000 and black ink donated the profit column when Mr. McDaniel resigned in December of last year.

Mrs. McDaniel, and the two daughters, ten and thirteen years of age, will move to Belle Glade at the close of the school year.

Mr. McDaniel is a veteran of World War II, is active in Masonic

work, and the family are affiliated with and active in the Presbyterian Church.

Race Tax Makes Each County Richer

HIALEAH — Each of Florida's 67 counties is \$31,333.09 richer for 1963 from a near-record total of \$2,302,729 realized by the state for this purpose from Hialeah's recent horse racing season.

Down through the years, such taxation has yielded to the 67 counties, which share equally in this lucrative source of the income a total of \$40,785,410. Thus each county has collected an all-time total of \$608,737.00.

The State of Florida received \$6,306,209 as revenue from Hialeah's banner 1963 season, an increase of \$257,717 over 1962 and third highest of all time. The grand total since 1932 is \$108,977,980. Over that period Florida's revenue race course was closed twice due to World War II in 1943 and 1945.

The amount realized by the state for old age assistance from Hialeah's 1963 season came to \$4,003,480, boosting the total for all time to \$63,584,276.

TO VISIT GEORGIA

Seek Legislative Aid For Welfare

Mrs. Otto R. Bleech, member of the District 10 Welfare Board announced this week that she would seek the help of her Legislators and County Commissioners in meeting the problems of the State Department of Public Welfare.

Pointing out that Florida has the lowest Aid to Dependent Children maximum in the nation the Board members told of cases situations which picture just one of the many problems.

The maximum grant of \$31.00 still leaves them more than \$50.00 less per month to live on than that considered an absolute minimum to maintain health. This deficit will become more and more serious as the younger children reach school age and have to be clothed and given more food.

Once again we have the picture of children inadequately fed and hungry in our so-called land of plenty. Here again, if the Aid to Dependent Children maximum grants were more flexible Mrs. Edwards, who is quite intelligent, could be retrained as a practical nurse or for another occupation that might enable her to bring her children up without Aid to Dependent Children grant or with a very minimum amount of help. The children would have a possibility of finishing their education. As it stands now we are contributing to their becoming likely candidates for dependency during several more generations instead of becoming more responsible future parents.

Mr. and Mrs. W. S. Cross had as weekend guests their son and daughter-in-law, Rev. and Mrs. Walter Cross and family of Tampa, and Mr. Cross's brother, O. M. Cross of Live Oak.

Mr. and Mrs. M. C. Carter of Port Mayaca and their guests, Mr. and Mrs. Earl Jardin of Jefferson, Iowa, have returned after spending several days on the Keys.

J. L. Reeves spent the weekend with his brother, H. B. Reeves in Orangeburg, S. C. who was in the hospital following a heart attack.

Pfc. James McElhenney and Pfc. Ronnie Gamble, of the US Marine Corps, returned Sunday to Camp Lejeune, N. C. after spending the weekend with their parents, Mr. and Mrs. G. C. McElhenney. They were accompanied back to camp by Pfc. David Fountain who had spent a 10-day leave with his parents, Mr. and Mrs. Myers Fountain.

No 16-Year-Olds Can Be Used As Laborers

MIAMI—Approach of the spring planting season drew a reminder to Florida farmers and commercial growers today that the Fair Labor Standards Act prohibits employment of children under 16 years of age during hours schools are in session.

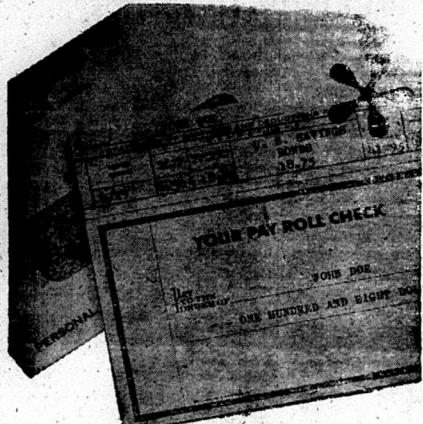

Sterling B. Williams, regional director of the U. S. Department of Labor's Wage and Hour and Public Contracts Division, stressed that the law covers children of migrants as well as those of local residents.

"The Fair Labor Standards Act applies to farmers who ship crops across state lines or who have reason to believe their products will eventually cross state lines," Williams explained. "The only exception involves children who work exclusively for parents or guardians on their home farms."

Christian Science Group Of Canal Point

A Bible lesson on the subject of "Matter" will be read this Sunday.

Among the many Scriptural selections, will be this citation from II Corinthians, (5:8): "We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord."

Other passages will bring out the Christian Science teaching that all matter is a "graven image", a temporary, limited, delusive sense of things that must finally give way before the consciousness of ultimate, spiritual reality created by God. Included in this sentiment from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 14): "Become conscious for a single moment that Life and intelligence are purely spiritual,—neither in nor of matter,—and the body will then utter no complaints."

Presbyterian In Revival Effort

The Presbyterian Church of the Everglades is joining with all other Churches in this denomination in stressing evangelism during the month of March. The guest minister, Dr. John D. Henderson is preaching evangelistic sermons in a special series of messages on Vital Bible Topics. His sermon topic Sunday morning will be "The Love of God."

In dealing with the subject the minister stated that he would seek to answer three questions. First, does God love me? Second, How much does God love me? and third, Will God continue to love me? The church is urging all members to seek to win other family for Christ and His church, believing that if you win the father and mother then you will have the children.

The Presbyterian Church stresses the Covenant relation of household religion, teaching that God's promise is to believers and their children.

The guest minister is teaching a special class of all adults at the 9:45 Church School hour, on beliefs of the Church. The topic Sunday morning will be "The plan of Salvation made plain."

The Senior High young people and all Pioneers are invited by the Pastor to a 6:30 p. m. supper at the Manse; the supper will be followed by a planned program.

Dr. E. C. Johnson, president of the club, presided and presented the working committee responsible for the success of the event.

The management served a delectable dinner of prime rib and all the trimmings which proved to happy all those in attendance.

Only one or two Rotarians out of a membership of 45 were absent from the dinner.

State's Attorney Phil O'Connell was the featured speaker and, as usual, kept the group laughing heartily for several minutes before he delved into the more serious part of his speech which left food for thought with everyone.

Before the dinner was served several Rotary songs were enjoyed by the entire group with Robert Lampi at the piano and Vance Denton leading the songfest. Paul Rardin introduced the Rotarianas. The invocation was given by Rev. Bob Shellen.
